Dolby Audio

Experience rich, cinematic audio that brings movies, music, and games to life with stunning clarity and depth. Elevate your audio experience and feel every detail with Dolby Audio Processing (DAP) - the ultimate sound technology.

Micro Dimming

Immerse yourself in stunning clarity as Micro Dimming dynamically adjusts brightness and darkness levels across the screen, creating deeper blacks and brighter whites and get ready to be captivated a whole new level of realism and picture quality.

Works With Alexa

Take control of your TV like never before with "Works with Alexa" compatibility. Effortlessly navigate your favorite shows and movies, adjust volume, or even switch to external devices, just with your voice through Alexa device.
