Dolby Vision HDR

Revolution in vision. With incredible brightness, contrast, and color, JVC TVs bring entertainment to life before your eyes. By fully leveraging the maximum potential of new cinema projection technology, Dolby Vision gives the result of a refined, lifelike image that will make you forget you are looking at a screen.

MEMC

Experience the magic of MEMC (Motion Estimation, Motion Compensation) technology that eliminates the judder effect in moving scenes. Immerse yourself in fluid, lifelike visuals that captivate your senses and bring every scene to life. With MEMC, enjoy crystal-clear motion clarity and elevate your viewing experience to new heights of smoothness and realism through your favorite movies and sports content.

4K HDR Immersive

Welcome to a new dimension of entertainment with picture quality promised by 4K HDR Immersive Technology effectively delivered and reproduced on JVC TVs. Brace yourself for breathtaking visuals, lifelike colors, and unparalleled clarity that transport you into every scene.
