HD

Thanks to HD screen resolution, your TV shows pictures more detailed than ever. With 720p screen quality, you will not miss any details in your content with improved image quality for a better viewing experience.

HDR10

High Dynamic Range allows for video and images with much greater brightness, contrast, and better color accuracy with your favourite content.

Super Resolution

Experience the true power of upscaling to FHD and UHD as Super Resolution takes your content to new heights, delivering lifelike visuals that surpass your expectations with stunning clarity and detail. Witness the transformation via high-end algorithms as every pixel is meticulously enhanced, resulting in stunningly sharp and vivid images and create best picture performance.
