JVC Smart Portal

JVC Smart Center allows you to access various internet contents with a simple click on the remote control. Using Smart TV apps, basically, you can stream music, videos and movies in real time from several - applications. You can watch the missed episodes of your favorite TV shows via catch up service; you can rent the latest movies or watch internet videos.

Micro Dimming

Algorithm for better contrast and vivid picture quality. This is provided by deep analysis of each pixels, realizing dark and bright regions and applying separate backlight.

Works With Alexa

Control your TV with the Alexa devices; you can change the channels, increase volume or even switch to external devices, just with your voice

Display
