CERTIFIED

Dolby Vision HDR

Revolution in vision. With incredible brightness, contrast, and color, JLED bring entertainment to life before your eyes. By fully leveraging the maximum potential of new cinema projection technology, Dolby Vision gives the result of a refined, lifelike image that will make you forget you are looking at a screen.

JVC Smart Portal

JVC Smart Center allows you to access various internet contents with a simple click on the remote control. Using Smart TV apps, basically, you can stream music, videos and movies in real time from several - applications. You can watch the missed episodes of your favorite TV shows via catch up service; you can rent the latest movies or watch internet videos.

MEMC

Algorithm to overcome the motion blur & judder effect in moving objects. MEMC technology detects movement patterns of the objects and apply interpolation between pixels, providing much more smooth video experience.
